Subject: Please Support Proposal 4

May 23, 2008

California Blue Ribbon Task Force

Dear Task Force,

As a strong proponent of preserving and improving the health of California's coastal ecosystems, I am writing to urge you to support Proposal 4. This proposal promises the best future for the North Central Coast by identifying key areas for protection that will help repair vital ocean habitats, recover declining wildlife populations and restore California's coastal waters. Thank you for considering my views on this important subject. I look forward to your reply.

Sincerely,

Mrs. Melva & Dennis Joslin
